Young People's Introduction to Heritage Mechanical Engineering

Sunday 11th August 2019

Shed Tour Application Form

Please ensure that all parts of the application are completed for each person in your party. The organisers reserve the right to refuse entry or curtail the tour at any point at their sole discretion.

We want you to enjoy your visit but remember you will be entering a working environment which may contain hazards and potentially dirty machinery – by taking part in the tour you undertake to obey all instructions of the guides. You must ensure you do not place yourself or others at risk.

You are advised to wear strong flat shoes (no flip flops etc.). Protective clothing will be available for some parts of the tour but no responsibility will be accepted for any damage to clothing – this is a working environment where grease and coal dust abound. You may have the opportunity to climb up onto and down underneath locomotives, some uneven ground will be encountered. We regret that due to the nature of the site, the tour is not suitable for those with limited mobility. Dogs are not permitted.

No under 14 year olds can be permitted into the working area, those aged 14 to 16 years old must be accompanied by a responsible adult (maximum of 2 young people per responsible adult).

We request that there is NO PHOTOGRAPHY during the tour. We must stress that the event is not intended primarily for adults. The information given below will be used exclusively in connection with this event and will not be retained. Communication will primarily be by e-mail.

First Name.....Surname.....

Confirm over 18 **Yes, I am over 18**

e-mail address.....

Contact phone number.....

Additional persons in your party

1.....Age (if between 14 and 16).....

2.....Age (if between 14 and 16).....

3..... Age (if between 14 and 16).....

4..... Age (if between 14 and 16).....
