Will you give just 20p per day?

We aim to restore this 1918 built locomotive to as close to design as possible and ensure it has a working future on Heritage Railways.

Steam locomotives provide enjoyment for the thousands of visitors each year to these working museums.

The locomotive will become the only working example of the type with the original internal steam pipe configuration.

WITH SUPPORT FROM THE HERITAGE LOTTERY FUND, THE RESTORATION PROJECT WILL PROVIDE OPPORTUNITIES FOR VOLUNTEERS TO LEARN AND DEVELOP MECHANICAL ENGINEERING SKILLS – BUT WE STILL NEED YOUR HELP!

To support the training opportunities that our lottery grant funds, we will need to pay for specialist contractors to undertake some of the restoration work and we need to buy the components that have been lost over the years – we will need to raise many thousands of £s!

You can help by donating just 20p per day

Gift Aid would increase the value at no cost to you

If you are a UK Tax Payer you can make your donation worth even more, courtesy of HM Government. Simply complete the declaration below.

I am a UK Tax Payer and would like the 2874 Trust to reclaim the tax paid on all future qualifying donations I make until I notify them otherwise. I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax each year (6 April to 5 April) that is at least equal to the amount of tax that all charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give from the date given below.
